We wish to express our deepfelt gratitude to Prof. Dr. Reinhard Kirste and the Omnis Religio Foundation for their donation for the work regarding the EIFI Virtual Library.

Our heartfelt thanks to the authors who with their generosity have made possible the collection of books and materials that are included in our Virtual Library.

The EIFI Virtual Library is accessible without cost, to members. Books and articles may be downloaded free, however only for private and individual use.

The EIFI Virtual Library is an open project with the goal to broaden, with everyone's collaboration.

With your annual membership and donations, both members and friends help to sustain this effort.

Thank you for your contributions. You may make your direct contribution to the account below.
